|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * To begin, prepare a questionnaire regarding questions that young couples should consider before getting married.                                                                                                                                                                                                                                                                                                                                                                            |
| * Write questions about God's role in marriage and how God can help couples stay committed to each other. Inquire about their vision for the Kingdom and how they can obtain it. Explain that Christians don't date, kiss, etc. before marriage – that they should learn to first be brothers/sisters in Christ and then hear God's voice about marriage or not. Find out what they feel God's purpose in their marriage is. Find out how many children they want, should the wife work, etc. |
| * We also suggest you read one of the recommended books at the end of this syllabus.                                                                                                                                                                                                                                                                                                                                                                                                          |
| * You may also want to study Scripture about "marriage & divorce" in the Bible (see also: New Unger's Bible Dictionary, Fausset's Bible Dictionary, Easton's Bible Dictionary, Nave's Topical Bible, Nelson's Bible Dictionary under resources at the end of this syllabus).                                                                                                                                                                                                                  |
| * You may want to do the Bible study in this syllabus also.                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| * Then consult young couples (engaged or not). Ask them if they are willing to help you do some pre-marriage counseling. Interview different couples.                                                                                                                                                                                                                                                                                                                                         |
| * Then interview married couples to find out what things they have done right or wrong in their marriage.                                                                                                                                                                                                                                                                                                                                                                                     |

## **Lay Counseling (G-1)**

## **HEALING PRAYER & COUNSELING 1 (HPC-1)**

# **STUDY GUIDE:**

## **HEALING PRAYER & COUNSELING 1 (HPC-1)**

### **TEXTBOOK/MATERIAL:**

BIBLE [www.altogetherlovely.org/resources](http://www.altogetherlovely.org/resources) see: Section 1 then: 8. Healing (to study)  
[www.altogetherlovely.org/healing](http://www.altogetherlovely.org/healing) (to read and become acquainted with.  
[www.altogetherlovely.org/know-god](http://www.altogetherlovely.org/know-god) (make sure they are born again)

### **REQUIREMENTS:**

Ask God to send you or help you find a person with spiritual needs and offer your services to pray for them on a weekly basis. You can talk to your pastor and he may refer someone. Be a trusted, discerning, loving person (man to man – woman to woman) and “listen” and pray for them. This course fits very nicely with the book on inner healing. You should be open to having them pray with you in areas of repentance, inner healing, and forgiveness. Humility and trust is a must.

| * Pray for God to lead you in preparing this Discipline.                                                                                                                                                                                                                                                                                                                                                                                      |
| * To begin, pray for God to send you someone that you can disciple and pray for. You may even ask a church counselor to let you sit in on some sessions.                                                                                                                                                                                                                                                                                      |
| * Meet with them for 1 ¾ hours/week (24 weeks) or 2 ¾ hours/week (16 weeks). You may want to meet with two people.                                                                                                                                                                                                                                                                                                                            |
| * The best way to counsel is to 1) establish a relationship, 2) be a listener, 3) make sure they feel like you “hear” them, 4) explain you are here to “listen and pray for them”, 5) don’t give advice – help them discover what they need to do, 6) pray for them before and at the end of every meeting. You are not a professional counselor but a Spirit-filled child of God willing to be a vessel for the Holy Spirit to work through. |
| * You may also want to read one of the recommended books at the end of this syllabus.                                                                                                                                                                                                                                                                                                                                                         |
| * You may also want to do the Bible Study in this syllabus.                                                                                                                                                                                                                                                                                                                                                                                   |
| * Complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                                                                                                                                                                                                                                                                                                               |

## **HELPING GOD'S CHILDREN 1 (HGC-1)**

### **TEXTBOOK/MATERIAL:**

BIBLE [www.altogetherlovely.org/resources](http://www.altogetherlovely.org/resources) [www.altogetherlovely.org/useful-links](http://www.altogetherlovely.org/useful-links)

### **REQUIREMENTS:**

We are to minister to WIDOWS, PRISONERS, THE ELDERLY, THE SICK, ORPHANS, AND SINGLE PARENTS. You are to ask God to give you a heart to minister to one or two of these groups of people. Find someone ministering to these people and ask them if you can be discipled or taught how to minister to these groups of people. Do your best to be sensitive and caring.

### **INSTRUCTIONS:**

|                                                                                                                                                                                                                                                                                                                                                    |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * Pray for wisdom in preparing this Discipline.                                                                                                                                                                                                                                                                                                    |
| * To begin, ask God to guide you in finding a mature Christian to disciple you in ministering to people. They should be someone presently ministering to WIDOWS, PRISONERS, THE ELDERLY, THE SICK, ORPHANS, or SINGLE PARENTS. Spend 1 ½ hours a week (8 weeks) being discipled by this person [12 hours].                                         |
| * Then, together or by yourself, begin to minister to these people. Listen, help, pray and care about their lives. Be sensitive to them. Also be sensitive to how you will “continue” or “end” the relationship after a while. Spend 1 ½ hours/week (16 weeks) or 3 hours/week (8 weeks).                                                          |
| * We also suggest you read one of the recommended books at the end of this syllabus. You are to also study Scripture about “Evangelism” in the Bible (see also: New Unger’s Bible Dictionary, Fausset’s Bible Dictionary, Easton’s Bible Dictionary, Nave’s Topical Bible, Nelson’s Bible Dictionary under resources at the end of this syllabus). |
| * You may want to do the Bible Study in this syllabus.                                                                                                                                                                                                                                                                                             |
| * Then complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                                                                                                                                                                                                               |
| * 40 hours is the minimum requirement for this Discipline                                                                                                                                                                                                                                                                                          |

### **INSTRUCTIONS:**

|                                                                                                                                                                                                                                                                                                                                                                  |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * Pray for God’s wisdom in leading this Discipline.                                                                                                                                                                                                                                                                                                              |
| * You are to gather 2 or more students and lead them through this Discipline.                                                                                                                                                                                                                                                                                    |
| * You will take 2 hours/week (24 weeks) or 4 hours/week (12 weeks) to go through this Discipline. You will gently lead the students into healing, understanding their identity in Christ, and repentance. The methodology is “experiential”. It will be an interactive course that will be beneficial in experiencing the healing power of Christ in a real way. |
| * It is imperative that you “PARTICIPATE” not just lead.                                                                                                                                                                                                                                                                                                         |
| * To begin, read the pages for each week. Have someone prepare some worship songs. Take some time to read the “how to teach” section in the back of the book.                                                                                                                                                                                                    |
| * Finally, complete the WEEKLY LOG each week.                                                                                                                                                                                                                                                                                                                    |
| * 48 hours of class time is required [you may take 12 or 24 weeks].                                                                                                                                                                                                                                                                                              |

# **STUDY GUIDE:**

## **ABORTION, DIVORCE, & AIDS 1 (ADA-1)**

### **TEXTBOOK/MATERIAL:**

BIBLE [www.altogetherlovely.org/resources](http://www.altogetherlovely.org/resources) [www.altogetherlovely.org/useful-links](http://www.altogetherlovely.org/useful-links)

### **REQUIREMENTS:**

### **INSTRUCTIONS:**

|                                                                                                                                                        |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| * To begin, pray for wisdom and guidance in this “sensitive” course.                                                                                   |
| * Pray that God will send someone into your life to minister to.                                                                                       |
| * You may want to “interview” people in these areas.                                                                                                   |
| * Take time to study about these issues. Talk to people, counselors, etc.                                                                              |
| * Be open to praying for people in areas of healing, forgiveness, and encouragement.                                                                   |
| * Become aware that “mercy triumphs over judgment”. We love the sinner (all of us) but we have the sin. Jesus died for us “while we were yet sinners”. |
| * You may want to do the Bible Study below.                                                                                                            |
| * Complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                        |
| * 40 hours minimum is required for this Discipline.                                                                                                    |

## **MISSIONS - Lay Counseling (G-2)**

## **COUNSELING & DISCIPLESHIP 1 [2 DISCIPLINES] (CDS-1)**

# **STUDY GUIDE:**

## **COUNSELING & DISCIPLESHIP 1 (CDS-1) [2 Disciplines]**

### **TEXTBOOK/MATERIAL:**

- 1) BIBLE [www.altogetherlovely.org/useful-links](http://www.altogetherlovely.org/useful-links)
- 2) [www.altogetherlovely.org/resources](http://www.altogetherlovely.org/resources) see: 1. Christian Powerpoint Teachings  
1. Christian Basics Click: 2. God in Your Heart

### **REQUIREMENTS:**

Lead someone to Christ or ask your pastor to allow you to counsel/disciple a new convert or person who desires to grow in Christ. Be a trusted, discerning, loving person (man to man – woman to woman) and just listen and then pray for them. This course fits very nicely with the book on Evangelism (Experiencing God's Love). You should be open to having them pray with you in areas of repentance, inner healing, and forgiveness. Humility is a must here. Make sure they are well acquainted in the basics of Christianity.

### **GETTING THE MOST OUT OF THIS COURSE:**

In order to get the most out of this course, we recommend the following:

- Pray before you start this course. Ask God to send someone into your life.
- Pray that God will guide you in finding someone to disciple – discipleship is "becoming more like Jesus Christ". This is really the Holy Spirit's work. You will guide the individual(s) in their walk with Jesus.
- Be willing to deal with your own addictions and compulsive behavior.
- When you are finish, take some time to thank God for His power to learn about addictions. God is going to honor your desire to learn and work in His Kingdom.

#### **GETTING THE MOST OUT OF THIS COURSE:**

In order to get the most out of this course, we recommend the following:

- Pray before you start this course. Ask God to send a good counselor into your life.
- Pray that God will guide you in finding someone to encourage as they walk through “loss” and “grief” in their life. Be a “listener”. “Mourn with those who mourn.”
- Be willing to deal with your own “losses” and “grief”.
- When you finish, take some time to thank God for His power to learn about grieving and loss. God is going to honor your desire to work in His Kingdom.

**REQUIREMENTS:**

God's child will be required to teach this prepared course. You will participate as a "teacher" and be required to find someone to disciple or form a small group in which to multiply yourself. This is a basic Christian evangelism course to interactively and experientially lead people through inner healing and growth in Evangelism.

**INSTRUCTIONS:**

- \* God's child is to teach the book "Experiencing God's Love" (Book 2). You will take 2 hours a week for a 24 week period to lead an individual or group through this material. You will gently lead them into healing, learning of God's love for His church, and understanding God's plan and purpose for your life. Goal: Obtaining a heart for Evangelism.
- \* To begin, read the pages for each week. Take some time to read the "how to teach" section in the back of the book.
- \* Finally, complete the WEEKLY LOG each week. 48 hours is required.

**INSTRUCTIONS:**

|                                                                                                                                                                                              |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * Pray for God's wisdom in leading this Discipline.                                                                                                                                          |
| * You are to gather 2 or more students and lead them through this Discipline. You will lead using the book "Experiencing God's Love" (Book 2).                                               |
| * You will take 2 hours/week (24 weeks) or 4 hours/week (12 weeks) for this Discipline.                                                                                                      |
| * You will gently lead them into healing, learning of God's love for His church, and understanding God's plan and purpose for your life. Obtaining a heart for Evangelism will be the focus. |
| * It is imperative that you "PARTICIPATE" not just lead.                                                                                                                                     |
| * To begin, read the pages for each week. Have someone prepare some worship songs. Take some time to read the "how to teach" section in the back of the book.                                |
| * Finally, complete the WEEKLY LOG each week [you may take 12 or 24 weeks].                                                                                                                  |
| * 48 hours of class time is required.                                                                                                                                                        |

### **REQUIREMENTS:**

SEX, ALCOHOL, NARCOTICS, FOOD, and PORNOGRAPHY are just some of the addictions many people struggle with. You are to research different areas of addictions. You attend AA, NA, SA, Gamblers Anonymous, etc. meetings and “listen”. Finally, you are to learn about the 12 STEP program as a means of being set free from addictions.

### **INSTRUCTIONS:**

|                                                                                                                                                                                                                                            |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * Pray for God’s wisdom in preparing this Discipline.                                                                                                                                                                                      |
| * To begin, find a counselor to talk about addictions with.                                                                                                                                                                                |
| * Use the book above called “A Path to Healing: The 12-Steps”                                                                                                                                                                              |
| * You may want to help counsel an addict by listening and praying with them.                                                                                                                                                               |
| * If possible, attend an AA, NA, SA, Gamblers Anonymous, etc. meeting and “listen”.                                                                                                                                                        |
| * Finally, you are to learn about 12 STEP programs as a means of being set free from addictions. The 12 Steps is Christianity. The secular world has used it very effectively. Jesus is the “power” behind the 12 Steps for the Christian. |
| * You may want to do the personal Bible Study below.                                                                                                                                                                                       |
| * Complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                                                                                                            |
| * 40 hours is the minimum required for this Discipline.                                                                                                                                                                                    |
